

The Jacobsson family's B&B - Find your way here

If you are coming from the center of Gävle follow road 80 towards Sandviken. When you see the sign "VALBO" you turn off from the road and then turn to the right. When you are reaching the traffic lights you continue straight ahead (further on you will pass a small bridge and a river). After one (1) km after the traffic lights you will find a junction with three roads, and there you will turn right. After 500 meter you will find a sign "BED & BREAKFAST" and there you turn right. The road you are at now is called Lundgrens väg. After another 400 meters you will find on your right hand side another sign with "BED & BREAKFAST" and then you have reached the goal. WELLCOME!
